Investigating Animal Abuse for Law Enforcement *a self-paced online course*

**Free 3-hour
program**

**Available online
24/7**

**Special section
on Illinois laws**

Case studies, simulations, video clips, and problem solving scenarios simulate the working environment.

This continuing education course examines:

- Officer safety during hazardous situations involving animals;
- Animal abuse and community policing, and the linkages with other serious crimes;
- Investigative and evidence collection techniques;
- Understanding animal protection laws
